

# A STUDY IN HEBREWS

week 2: Hebrews 1:5-2:18

## INTRODUCTION

The book of Hebrews teaches us that Christ reveals God to man (by his humanity) and represents man to God (by his Supreme Holiness). This week we will see how the Son of God is superior to angels by his unique relationship with the Father and... how the Son of man is our great High Priest; a true living sacrifice for sin.

## WEEK 2

### **Theme: Supreme to Angels and the Torah – Read Hebrews 1:5-14**

*Jewish Believers had a good understanding of the Torah (Genesis – Deuteronomy), the writings of David (Psalms), were familiar with the history of their nation (Samuel) and the writings of the prophets (Isaiah). Every Jewish boy memorized the entire Torah word for word by the age of 10.*

Note the following Psalms as they relate to the verses above: Psalm 2:7; Psalm 45: 6-7; Psalm 102: 25 – 27; Psalm 110; Psalm 89:27; Psalm 8.

What do these verses from Psalms teach us about Jesus?

What are angels? What are some of their roles according to the Bible? Read Hebrews 1:14; Psalm 91:11; Daniel 6:22a; Hebrews 1:6; 2 Kings 19:35; Deuteronomy 33:22; Luke 1:26-38.

### **Danger 1 – The Peril of Drifting – Read Hebrews 2:1-4**

According to these verses why should we be careful not to drift away from the Gospel of Grace and consciously neglect its application for our lives?
