

SIX WEEKS IN THE GOSPEL OF JOHN

On the reverse, you'll find a reading plan that will take you through the book of John.

Over the next six weeks, we will explore the seven miracles of Jesus recorded in John's Gospel. By spending just a few minutes per day in the Word, you can read the book in its entirety. Here are a few study ideas for you as you read:

Journal

Open your Bible to the reading found under today's date. Take time reading and allow God to speak to you, don't rush. Look for ONE verse that particularly stands out. Write it in your journal.

Observation

What do you think God is saying to you in this Scripture? In your own words, record the context of the passage.

Application

Personalize it by asking yourself how this applies to your life right now. Write how God is showing you this Scripture can apply to you today. How will you be different today because of what you have just read?

Prayer

Don't be worried about getting the words right, just get your heart right! Be sure to listen to what God has to say. Then, write out your prayer.

We look forward to reading John's Gospel together!
