# Discipleship Study Questions

For use from 9/17/23-9/23/23

# Rethinking Sexuality

In the series, we look at what the Bible says about human sexuality and allow ourselves to be challenged to rethink anything that we have come to believe that doesn't line up with what the bible has to say. This series is meant to be an invitation into finding a healthier way to view our sexuality in light of the truths of God's word.

## **Read the Scripture:**

*Individual:* Read the passage from two or three different translations.

*Group:* Have two different group members read the passage using different Bible translations.

## **Speak the Scripture:**

*Individual:* Recite the story aloud from memory (as best you can) or tell it to a friend or family member. The goal here is to get the essence of the passage in your heart.

*Group:* Have someone volunteer to recite the passage aloud in their own words, as best they can.

## **Understand the Scripture:**

*Individual or Group:* Use the Discovery Questions to help ensure you understand the passage.

## **Dig Deeper into the Scripture:**

*Individual:* Work through the Digging Deeper questions and pray about what God reveals to you through His word. Discuss with a Christian friend or family member if you choose.

*Group:* Work through the Digging Deeper questions as a group, celebrating the work God is already doing in each person's life, and encouraging each other to trust Him in the places that need growth.

# **Small Group Guidelines**

## **This is a Safe Group**

Confidentiality is key—what is said in the group stays in the group. Be aware how you are affecting the environment with your words, actions, and non-verbal communication. This needs to be a place where people feel comfortable opening up and sharing.

## **No Crosstalk**

Be considerate of others as they are sharing. No side conversations, phone time, texting etc.

## **Listen**

Let's value one another by listening to what is being shared. Allow a pause after someone shares to allow them to finish and others to consider what was said. Eye contact and body posture play key roles in creating a positive or negative group environment.

## **No Rescuing or Fixing**

We are not here to fix each other; Jesus does that part. Avoid the tendency to rescue when someone is struggling to get the words out or shares a struggle or conviction.

## **Use "I" Statements**

It's easy to talk about the issues of others, or respond with "we," "us," or "the church," but for us to grow as disciples and build relationships, we want to use "I" statements.

## **Don't Over-Talk**

We want to create time for all members of the group to participate in the discussion. Be careful not to always be the first responder or regularly give long responses.

## **Fight for Relationship**

It's not if conflict or hurt feelings will happen, but when. We commit to fight for relationship with each other. Go to the person and share your struggle or seek wise advice if you are not sure how to handle the conflict.

## **Week 2**

**Background:** In this passage, we see Paul addressing issues of sexual immorality and sexual holiness within the Corinthian church. It is interesting to see how the issues that they faced in the first century are not too different from today, because these are human issues.

**Read:** 1 Corinthians 6:12-20

### **Discovery Questions:**

What do we learn about God in this passage?

What do we learn about what it means to be a follower of Christ in this passage?

What do you think the Holy Spirit might be teaching you personally through this passage?

Is there anything God is leading you to do after reading this passage?

### **Digging Deeper:**

Have you ever really taken time to think about what it means for your body to be a 'temple of the Holy Spirit'? Does this change the way you view yourself?

How do married people honor what is spoken of in 1 Corinthians 6? How do single people honor it?

Why does it matter that we were 'bought with a price'? Do you ever consider the value God placed on you when He purchased you out of the kingdom of darkness? Does that impact the way you view your relationship with Him?

### **End this time with a prayer.**

*If you aren't sure what to pray, try praying the Scriptures.*

## **ADDITIONAL RESOURCES**

*If you'd like to learn more about sexuality, gender, and a biblical sexual ethic, we have listed and linked to a variety of resources below. Please note: While Christ The Rock may not agree 100% every statement or action step included in these resources, we believe that listening, learning, and being humble before others is essential for growth, especially regarding topics in which many have experienced hurt.
